

TITLE: 30-minute Overview of the PacFIN System

AUTHOR: William Daspit and Jason Sawicki, Pacific Fisheries Information Network (PacFIN)

PRESENTER: William Daspit

OBJECTIVE: Highlight PacFIN Data Used by NMFS/ST1

ABSTRACT:

Will briefly discuss the Pacific Coast Fisheries Data Committee (PCFDC), including charter, membership, and relationship to the Pacific Fisheries Information Network (PacFIN). Will briefly discuss PacFIN data sources, contents of the PacFIN central database, the frequency of datafeeds, and a few of the most important subsystems. Will discuss the contents of a few of the data tables including those specifically developed and maintained for the NMFS/ST1
